

NEWFOUNDLAND PUPPY RESERVATION FEE

**In receipt of \$500 as a reservation fee for a Newfoundland puppy.
Puppy purchase price is \$3000 including the deposit.**

1. This fee is not refundable. The fee covers vaccines, microchips, worming and sales tax. If the puppy does not pass health clearances the purchaser will be placed on the list for the next litter.
2. Fees may be paid via paypal or zelle. Send fee payments to paypal@bhnews.com. Fee payments may also be sent via personal check, however, if your check is returned we will seek legal remedies and your reservation of a puppy will be canceled. Receipt of payment would be the date your check clears the bank in the case of a personal check. PLEASE DO NOT SEND A DEPOSIT UNTIL YOU HAVE BEEN NOTIFIED THAT A PUPPY IS WAITING FOR YOU!
3. **Cash is the ONLY acceptable form of payment on day of pick up.**
When the puppy is ready to go to its new home, the buyer agrees to take delivery of the puppy. This normally occurs between 9 and 10 weeks from birth. If we "hold" your puppy for you, there is a \$12.00 per day boarding fee.
4. The breeder's decision is final as to the puppy you receive, but we will make every effort to provide you with the puppy you want.
5. All puppies are purchased with the understanding that they will not be spayed/neutered before 24 months of age. The only exception will be if there is an understanding with the breeder prior to deposit. We have medical research as to why this is and will provide it upon request.
6. Puppy socialization classes and ongoing obedience classes are mandatory to have a well behaved Newfie.
7. All puppies received their vaccines between 7-8 weeks of age and a booster at 9-10 weeks. Rabies shots are typically given between 12 – 16 weeks. Any other vaccines are your choice. We do not vaccinate for lymes or leptospirosis here.
8. All puppies are registered under a limited AKC registration. This allows all event activities except conformation and does not allow breeding or registration of any offspring unless there is an agreement prior to the deposit being given.
9. Any agreed upon refunds of the purchase price are issued when the puppies go home. i.e. if you cancel your reservation on week 2, the refund will be sent week 9-10 when puppies go home.
10. Agreed upon refunds requested after the puppies go home are satisfied when the next litter goes home. This means there may be a short waiting period.
