CONDITIONS OF THE CONTRACT AGREEMENT

1. All puppies are sold on a 72 hour trial basis. In this time the purchaser agrees to have the puppy examined by a veterinarian. All puppies are examined by a licensed veterinarian who cares for our puppies before they leave for their new homes. If the puppy is deemed unhealthy by your licensed veterinarian within the first 72 hours, it can be returned at the purchaser's expense. We will have our veterinarian evaluate the puppy and if needed consult with your veterinarian to determine what might have gone wrong. If the puppy has developed a health condition which is not the responsibility of the buyer, the puppy can be returned for a full refund or replacement. The cause will be determined by the veterinarians examining the puppy and this provision is only valid if the dog is in the same condition as when the dog left the Seller.
2. Your puppy as been treated for any internal parasites that may have occurred while in our care. This agreement specifically excludes any guarantee against internal parasites although every effort has been made to assure their removal.
3. Seller is in no way responsible for any acquired diseases.
4. Purchaser agrees to follow recommended feeding and proper diet, keep the dog at a sensible weight for dog's size and age. A FAT or OVERWEIGHT Newfoundland is more susceptible to injury due to stress on their joints. You should be able to easily count your Newfoundland's ribs while they are standing. A vet visit should indicate a body weight score between 2.5 – 3.0.
5. Purchaser agrees to provide regular exercise, and proper care INCLUDING: grooming, annual vaccinations, heartworm preventative, and confining dog in fenced yard/area. We recommend a fence that is at least standard height of 6 foot. While invisible fences may work they are not recommended for your Newf. Please use an old fashioned fence or kennel to secure your dog. Some dogs may be alright with a 4ft fence so use your good judgement.
6. Purchaser is responsible for ANY shipping charges. Seller is not responsible for injury that occurs during shipment or transportation by the purchaser. While we do not ship via air freight you may use a delivery service such as wemovepets.com.
7. Purchaser agrees that if the puppy is to be kept outdoors at any time, purchaser will provide a fenced area with a shelter (must meet or exceed state humane society regulations) for protection from the severe cold and sun. **All guarantees are null and void if the puppy/dog is kept chained.** A fenced yard for exercise is REQUIRED. The use of a tie out or chaining the dog is NOT an approved method of confining a Newfoundland. By signing this agreement and initialing this section the Purchaser agrees this will NOT be a means of confinement. _____ Purchaser _____ Purchaser

- 8. As a responsible breeder and according to AKC guidelines and our Newfoundland Club of America oath, we take responsibility for each and every puppy we produce for the life of that puppy.
